

HENRY A. ALEXANDER, Sworn for the State. The engravers plates used in the printing of the pictures of the two murder notes in my pamphlets distributed to the public in February and March, 1914, were the identical plates without alteration, change or retouching of any kind whatsoever that were used in the printing of the same notes in the printed copy of the brief of evidence of said case filed in the Supreme Court of Georgia and accepted as correct pictures of said notes both by the defense and by the State. The picture of the yellow note on which the order number in question was shown appeared in said brief of evidence on page 253 of said printed brief. Said brief of Evidence was printed by the Foote & Davies Company, of Atlanta, Ga. prior to December 15, 1913, when it was delivered, and the plate of said yellow murder note was made by the Southern Engraving Company some time prior to that date. I had nothing whatever to do with the making of the photographs of the plate of said yellow murder note. The pamphlet referred to was written and distributed in the months of February and March, 1914, a month and a half after said plates had been made. It was also printed by the Foote & Davies Company, and I simply got permission of the attorneys for the defense to use said plate which had remained in the possession of Foote & Davies and was still in their possession. I neither admitted or stated to R. A. DeVore or to any other person that I had had the engraving company to touch up said plate in certain places, nor did I state to said DeVore or anyone else that this touching up was done to eliminate the dirty background or to bring out the writing more clearly or for any other purpose. At the time said pamphlet was printed, the question of Becker's signature and the invoice number had not been suggested.
